I understand that host housing is with local families who are to be treated with the utmost respect and kindness. I will be considerate, clean, cordial and offer to help family in any way my team can.

I also understand that if the host family has a bad experience with host housing my team will not be allowed host housing from this time forward.

I also understand that I am a spokesperson for the Cascade Cycling Classic which is an important community event for Bend and I will be a good ambassador for the sport of bike racing.
